As Parents, Educators, Pastors, and Elders responsible for the spiritual nurture of youth, we know that the environment for learning faith can be just as important as the content.

Our goal for this Confirmation Retreat is to offer youth an opportunity to grow in an experience of the community of faith beyond the local congregation while exploring the foundations of our unique Christian identity. During this weekend retreat you and your youth will laugh, worship, play, study, pray, fellowship and learn with youth and adults from other congregations on the journey of confirmation.
